Black Exterior/Black Interior

Black Exterior/Black Interior

* Inquire for custom finish

Features

The optional reflector is available to create a traditional high-bay aesthetic. However, these reflectors are not needed and its installation does not substantially alter the light distribution. The Filamento lamp has integral optics that create a cutoff at 50°, eliminating glare so an external reflector is not required.

- Solid aluminum reflector
- Reflectors are vented to allow for airflow
- Compatible with all ADP mounting bases
- Compatible with all VA6 mogul base lamps
- Easy to install - Simply twist and lock assembly to ADP mounting bases, no tools required
- Optional diffuser, drop lens, wireguard accessories
- ADP mounting bases are sold separately
- See website for Installation Guide

Mechanical

- 0.54 kg / 1.2 lb
- Solid aluminum body
- Inquire for custom colors

7" Cylinder Reflector shown with VA6 Lamp
